The MultiGradeMultiLevel-Methodology and its Global Significance

Ladders of Learning – Scientific Horizons – Teacher Education
ISBN 978-3-934575-87-5, 192 S., 27.80 EUR

1 Introduction

2 The MultiGradeMultiLevel-Methodology and its Ladders of Learning

2.1 History and Growth of the RIVER-Projects

- 2.1.1 Regional Location in India
- 2.1.2 Educational Practice and Philosophy by Jiddu Krishnamuri
- 2.1.3 The Rishi Valley School and the Rishi Valley Education
- 2.1.4 The Rishi Valley Institute for Educational Resources, RIVER

2.2 Learning with Ladders of Learning

- 2.2.1 The MGML-Methodology as Initial Situation
- 2.2.2 Material Pool for Learning Activities
- 2.2.3 'Milestones' – Systematized Learning Sequences
- 2.2.4 Ladders of Learning and Their Variations
- 2.2.5 Mixed-age Group Formation with an Integrated Support System
- 2.2.6 Evaluation of Progress and the Pupils' Success
- 2.2.7 Spatial Structure of the One-Room School
- 2.2.8 Time Structures in the MGML-Methodology
- 2.2.9 Cultural Components of Design
- 2.2.10 Ecological Components of Design

2.3 Teaching in the MGML-Methodology

- 2.3.1 Being a Teacher in India
- 2.3.2 The Roles and Tasks of Teachers in the MGML-Methodology
- 2.3.3 Preparing the Learning Environment
- 2.3.4 Observing and Giving Advice and Support
- 2.3.5 Documenting and Reflecting
- 2.3.6 Attitude

2.4 Teacher Training with RIVER

- 2.4.1 Exploration Workshop
- 2.4.2 First Testing and Contemplation
- 2.4.3 Designer Workshop
- 2.4.4 Second Testing through Supervision
- 2.4.5 References

3 Cultures of Learning in the 21st Century

3.1 Schooling in the Context of Global Developments

- 3.1.1 Exclusion – a globally multifaceted process
- 3.1.2 Historical Transformations and their Impact on Today's Children and Youth
- 3.1.3 Identity within the Term of Global Change
- 3.1.4 Education as a Global Issue

3.2 Life in the Horizon of an Integral Educational Practice

3.2.1 Collectively Living in Uncertainty

3.2.2 Concreation – Integral Participation within the Interconnection of the Single in the Whole

3.2.3 Scientific foundations
